Charitable Games Bulletin

To: Missouri Bingo Licensees
From: Rachel Farr, Acting Charitable Games Manager
Date: August 3, 2010

During the 2010 legislative session, changes to the statutes regarding bingo were passed. On July 13, 2010, the governor signed into law these changes that will not take effect until August 28, 2010. The following is a brief recap of the statutory changes that may affect your organization:

- Allows qualifying organizations to obtain up to fifteen Abbreviated Pull-Tab Licenses in a calendar year. This was previously limited to four per calendar year.
- Removes the $3,600 maximum a licensee can award as bingo prizes in any one event from statutes and gives the Commission the authority to set the maximum in regulation. An emergency regulation amendment was filed with the Secretary of State and will be in place by the effective date of this legislation. The maximum amount that will be allowed to be awarded in any one day will remain $3,600 at this time.
- Allows regular licensees to conduct regularly scheduled bingo up to two days per week versus one day per week. If you intend to hold bingo twice per week after August 28, 2010, you must submit your request using the attached request form. You may not begin your second date until after you have received approval from the commission.
- Increases the amount licensees can spend for advertising from 2% to 10% of the previous years money available for charitable purposes;
- Changes the time frame in which bingo cannot be conducted to the hours of 1:00 a.m. to 7:00 a.m.
- Exempts special bingo license holders from the time frame in which bingo cannot be conducted, with the approval from the Commission.
- Changes the record retention period for bingo license holders from three years to two years.
- Increases the cost of an annual manufacturer license from $1,000 to $5000 for a new license and from $500 to $1,000 for a renewal.
- Requires that licensed suppliers and manufacturers pay any cost for the suitability investigation which exceeds the annual license fee.

The Commission has proposed amendments to the regulations to coincide with the new law. Copies of these proposed amendments are enclosed. After these changes are published in the September 1 Missouri Register, any person may file a statement in support of or in opposition to the proposed amendments with the Missouri Gaming Commission Charitable Games Division at the address below. EMERGENCY AMENDMENT

11 CSR 45-30.190 Rules of Play. The commission is amending section (1) and adding section (4).

PURPOSE: This emergency amendment is due to a statutory change, the rule clarifies the hours a bingo licensee can conduct bingo. This emergency amendment also establishes the maximum prize amount each licensee can award at a bingo occasion.

EMERGENCY STATEMENT: This emergency amendment is necessary to preserve the limit on the aggregate retail value of all prizes and merchandise awarded in a single day of bingo.

House Committee Substitute for Senate Bill 940 as truly agreed to and finally passed during the 2nd Regular Session of the 95th General Assembly and signed by the governor requires that the daily maximum aggregate retail value of all prizes or merchandise awarded, except prizes or merchandise awarded by pull-tab cards and progressive bingo games, be set by the commission per regulation. The maximum payout in a single day of three thousand six hundred dollars ($3,600) was previously set in statute. The intent of the legislation was not to remove the limit and thereby expand gambling in the state of Missouri, but to place the responsibility of overseeing the limit with the commission.

If this emergency amendment is not enacted, there is no set limit to the prize amounts. With the removal of this maximum payout from the statute prior to it being set in rule, some larger bingo organizations could advertise excessive payouts in an attempt to control the market. By keeping a maximum payout in force, all licensed charities, large and small, can remain equally competitive in a declining market. In addition, without this emergency amendment, the larger charities may advertise excessive payouts that they may not be able to afford resulting in a loss of trust by the public and affecting the overall integrity of charitable gaming.

The Missouri Gaming Commission contacted the Association of Charitable Games of Missouri in an effort to assure fairness to all organizations. No opposition to keeping a limit on the aggregate retail value of all prizes or merchandise was expressed.

This emergency amendment is necessary to protect public health, safety, and welfare. As a result, the Missouri Gaming Commission finds a compelling governmental interest, which requires this emergency action. A proposed amendment which covers the same material is published in this issue of the Missouri Register. The scope of this emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the Missouri and United States Constitutions. The Missouri Gaming Commission believes this emergency amendment is fair to all interested persons and parties under the circumstances. This emergency amendment was filed July 28, 2010, effective August 28, 2010, and expires February 23, 2011.

(1) Except for pull tab games, a bingo game begins with the first letter and number drawn (called). Bingo paper may be sold no more than two (2) hours prior to the start of the first bingo game, however, no pull tab sales may start before [10:00] 7:00 a.m. The paper and/or pull tab sales time must be clearly posted in the licensee’s house or game rules. All bingo paper and/or pull tabs must be sold by approved workers and sales times are subject to approval by the commission.
(4) The aggregate retail value of all prizes or merchandise awarded, except prizes or merchandise awarded by pull-tab cards and progressive bingo games, in any single day of bingo may not exceed three thousand six hundred dollars ($3,600).
