Ameristar Casino Kansas City, Inc.)

PRELIMINARY ORDER FOR DISCIPLINARY ACTION

Comes now the Missouri Gaming Commission acting in its official capacity pursuant to 11 CSR 45-13.050, and states as follows:

1. The Missouri Gaming Commission (the "Commission") or ("MGC") is a state commission created under Chapter 313, RSMo 2000,¹ with jurisdiction over gaming activities, including riverboat gambling activities, in the State of Missouri.
2. The Commission issued Pinnacle Entertainment, Inc., a Class A gaming license to develop and operate Class B gaming licenses in the State of Missouri.
3. Pinnacle Entertainment Inc. is the parent organization or controlling entity of Ameristar Casino Kansas City, Inc. (the "Company").
4. The Commission issued a Class B riverboat gambling license to the Company to conduct games on and operate the excursion gambling boat known as the *Ameristar Casino Kansas City* (the "Casino").
5. As the holder of a Class B license, the Company is subject to the provisions of §§ 313.800 to 313.850, RSMo, and the regulations promulgated thereunder by the Commission.

STATEMENT OF FACTS²

6. On December 3, 2016, MGC initiated a regulatory investigation in which multiple patrons' losing wagers at the Dragon Bonus and Commission Free Dragon Bonus Mini Baccarat tables were being refunded from the table chip bank.
7. The MGC noted 13 incidents where there was such a refund between October 27, 2016 and February 10, 2017.
8. The amount of uncollected wagers from those tables during that timeframe totaled \$136,545.00, representing untaxed gaming revenue to the Casino, due to decisions to either refund patron bets from the table chip bank or to not collect losing wagers from the patrons.
9. These refunds led to incorrect adjusted gross revenue calculations, which caused a shortage to the amount of tax revenue that was collected by the MGC from the Casino.

¹ All statutory references are to RSMo 2000, unless otherwise specified

² 20161212006

10. The refunds occurred after patrons alleged procedural errors in the dealing of current or past hands or incorrect readings or incorrect displays on the reader board and subsequently lost the hand.
11. The alleged procedural errors did not affect the games' integrity or the outcome of the games.
12. The refunds were not authorized by the rules of the game, the Commission's minimum internal control standards ("MICS"), or the Casino's internal control system ("ICS").
13. The Casino's ICS did not authorize the refund of wagers to be paid from the chip bank.

26. ICS, Chapter C/Bac 7, Mini Baccarat, states, in pertinent part, as follows:

Object of the Game

The object of the game is for the guest to place a wager on the "banker", the "player", or the tie bet. Once all bets have been set, the Dealer will deal two cards to the guest and two cards to the bank. ... In the game of Mini-Baccarat, guests make no decisions as to how the cards will be played. The player or banker hand is hit or not hit depending on their point value and the "third card rule" governing how the hands are to be played, (see table). These rules are specific and do not change. Once all hands have been hit, or drawn to, the hand with the point value closest to nine (9) will win.

* * *

Rules of the Game

* * *

- Once the first card of any hand has been exposed by the dealer, no guest will handle, remove, or alter any wagers that have been made until a decision has been rendered and implemented with respect to the wager.
- The house will collect a 5% commission on all bank hands won by the guest.
- All losing bets will be collected before payment is made on any winning bets.
- The hand with a point value closer to nine (9) wins. If the point value of both hands after the end of play are the same, the guest will neither win nor lose. This is a tie or push hand.

* * *

Collection of Bets and Payouts

1. All losing bets will be collected first.

2. The Dealer will pay the winning bets even money one at a time from right to left. If the banker wins, all commissions will be collected as the wager is paid or clearly marked with a lammer in the commission box.
3. All winning tie bets will be paid at eight (8) to one (1) odds. Tie bets will be paid in turn, starting with the guest in the third base position.

27. Both the MICS and the Casino's ICS, Chapter D, § 2.01, state as follows:

Chips shall only be added to or removed from the table inventory:

- (A) in exchange for cash presented by a patron ...;
- (B) for payment of winning wagers;
- (C) collection of losing wagers made at the table;
- (D) through approved internal controls governing table fill and credit procedures;
- (E) in exchange with a patron for gaming chips of equal value;

- (G) at the roulette table in exchange with a patron for non-value chips from that roulette table; or
- (H) in exchange for a patron-signed counter check.

28. Both the MICS and the Casino's ICS, Chapter I, § 1.04, require the Casino³ to "immediately notify MGC when there are reasonable grounds to believe a violation of the rules or regulations has occurred that jeopardizes the protection of assets or the integrity of gaming."

29. Both the MICS and the Casino's ICS, Chapter I, § 5.01 require admission and gaming taxes to "be deposited daily into established accounts via an Electronic Funds Transfer (EFT) system employing an Automated Clearinghouse Debit (ACH-Debit) or wire transfer method and paid each banking day via an Electronic Funds Transfer (EFT) system employing a wire transfer method."

30. Both the MICS and the Casino's ICS, Chapter I, § 5.02 require "adjustments to AGR resulting in additional tax [to] be made when found, reported to MGC, and included in the next weekly tax payment wired to the Missouri Department of Revenue (DOR)."

³ The MICS name the Accounting Department as the reporting agent, and the ICS name the Casinos Finance Department as the required reporting agent.

VIOLATIONS

31. The actions or omissions of employees or agents of the Company, as described above, constitute a failure by the Casino to ensure that the table games offered to its patrons followed the rules of the game, that losing wagers were properly collected, and that the Casino paid the correct amount of taxes based on its adjusted gross receipts, thereby violating 11 CSR 45-10.030, 11 CSR 45-11.020, 11 CSR 45-11.030, 11 CSR 45-11.040, the Commission's MICS, Chapter D, § 2.01 and Chapter I, §§ 1.04, 5.01, 5.02, and 5.05, and the Company's ICS, Chapter C/Bac 3, Commission Free Dragon Bonus Baccarat, Chapter C/Bac 6, Mini Baccarat Dragon Bonus, Chapter C/Bac 7, Mini Baccarat, Chapter D, § 2.01, and Chapter I, §§ 1.04, 5.01, and 5.02.
