The above table shows the amount of annual operations fees collected in 2020 from licensed operators **for the calendar year 2019**. All fees collected are placed in the Gaming Proceeds for Education fund. Previously, annual operations fees were collected each calendar year at the rate of 11.5% of the licensed operator's net revenue from the previous calendar year, and they were due on April 15<sup>th</sup> of each year. The passage of Senate Bill 87, which became effective August 28, 2019, changed the fee to 6% of the licensed operator's net revenue from the previous calendar year, and the due date for payment of the annual operations fee was moved to November 1<sup>st</sup> of each calendar year. As such, no annual operations fees have come due for the calendar year 2020.
